Terms & Conditions

- Trading FX pairs, XAUUSD, XAGUSD and CL-OIL(1000 buckets) for 1 lot on MT4 are recorded as 1 standard lot. Trading INDX, UKOUSD, USOUSD, UKOUSDf, UKOUSD+, USOUSD+, UKOUSDf+ for 1 lot on MT4 are recorded as 0.1 of 1 standard lot. Products not mentioned above are not included.
- Open MT4 and MT5 live trading account in STARTRADER, make a deposit during the promotion period in order to participate in this promotion. (Cent accounts are not eligible for this promotion.)
- During the promotion, each customer can participate in the promotion multiple times. To participate in the promotion again, you need to deposit again, and meet the requirements of the corresponding number of transactions and net deposit. You can submit the application for this prize again from the day after you receive the email from the previous gift review.
- During the promotion, the number of trading lots and net deposit of the account with the same name can be calculated cumulatively; when you participate in the promotion again, the number of trading lots and net deposit will also be recalculated again. This promotion is not valid with other bonus type of promotions.
- Only closed positions will be calculated. Open positions will not be calculated.
- During the promotion, STARTRADER reserves the right to deny client's qualification of participation, deduct any improper profits, or even terminate partnership with clients if any breach of these Terms and condition is found. The breach behavior includes (but not limited to): using same IP address to trade at the same time, conducting multiple accounts to arbitrage, scalping, high-frequency trading, latency arbitrage and maliciously hedging, and using specific account to maliciously swiping orders, etc.
Any termination of the partnership (disqualification of events, deduction of improper profits, etc.) caused by improper trading shall be borne by traders themselves. STARTRADER has sole discretion to determine the trading methods. In addition, for the protection of client's right and privacy, STARTRADER may not be able to provide relevant proof.
Clients participating in this event are regarded as fully understand and accept the above content. If clients are judged to have improper trading behavior, they have no right to post malicious comments or words that would damage STARTRADER reputation on any social media or channels; otherwise, one should bear legal responsibilities.
This promotion is not shared with other promotions during the same period.
- STARTRADER is not responsible for the quality of promotion gifts and after-sales issues. STARTRADER reserves the right to interpret all promotions.
- Please note that this campaign is not applicable to customers in China (Mainland) and Taiwan who hold Islamic accounts.
- Positions must be held for at least 10 minutes

Procedure

- The first deposit time during the promotion is regarded as the registration time for the promotion.
- The calculation start from your first deposit date under promotion period please complete the corresponding number of transaction to claim desired gift. Once the promotion ends, all calculation will stop. During the promotion, there are no restrictions on the deposit and withdrawal of the account, but the balance in the account must meet the corresponding net deposit requirements from the day of gift application until 2 pm of the next day (net deposit = total deposit amount-total withdrawal amount)
- Customers who have completed the corresponding activity conditions can contact your consultant to apply for gifts, or send an email directly to info@startrader.com, please indicate your name, trading account number, phone number, registration date for participating in the activity, applied gift name and gift receiving address.
- For gift redemption, please complete the application within 10 days after promotion period to avoid disqualification.
- After the gift application is approved, we will arrange the delivery in order within 10-15 working days.

Risk Warning

STARTRADER provides leveraged derivative products including forex and CFD. Please note that leveraged products may NOT be suitable for all investors since these carry high level of risk to your capital and it is possible to lose more than your net deposit. It is your responsibility to fully understand that when trading on a margin or leverage basis, your capital is at risk, and carefully consider your investment objectives, trading knowledge, experience, and affordability. Please do not trade if you are unable to afford the loss that the trading may bring. It is recommended to seek independent and professional suggestions if you have any questions or concerns about the products STARTRADER provides.

Please note that STARTRADER do NOT intervene or take responsibility for the loss caused by following trading advice or copy trades.
